

God loves us. Throughout the Bible, story after story reminds us of the love God has for each of us, regardless of who we are, where we are from or what we have done.

God loves us completely. In fact there's nothing we can do to make God love us any more and there's nothing we can do to make God love us any less.

Freo Church is a community of Christ-followers that is being transformed by God's love. His love inspires us to love God, love others, love service and love the world.

If you want to know, experience and share God's love, then we hope Freo Church and this website can support you in your quest!
