

Jesus redefines greatness. Rather than becoming rich, powerful or famous, Jesus says that true greatness comes from serving others - in particular those who are in need.

We desire to be a great church - which means we take serving seriously. We are keen to help people utilise their abilities and resources through serving with organisations that make the world a better place.

Please explore the links below if you are interested in serving in Fremantle, Australia or overseas. Also, if you'd like to serve with Freo Church, please contact us for more information.
